

Caregiver Training Inventory

Completion of In-Service training is required for all caregivers within 4 years of initial licensing. Use this tool to determine training needs and develop a plan.

- If archived modules were taken, updated modules are **HIGHLY RECOMMENDED** as they include significant changes in research, practice and policy that are important for successful caregiving.
- Updates and new modules will continue to be added to support on-going learning needs.
- Modules highlighted in green are **HIGHLY RECOMMENDED** as first steps for new caregivers.
